RESERVATION FORM DUE NO LATER THAN OCTOBER 15, 2010.

Space is limited and will be assigned on a first-come, first-served basis although every effort will be made to accommodate all those who wish to participate. CEP recommends you set up a table-top project display board that explains your practice and shows it in action at the beginning of the conference. Your display will be part of the exhibits during the entire conference although you are only expected to be present at your display during the poster session to be held Saturday morning. At that time you may also wish to bring fliers or other presentation materials. Those winners who do not register for space may still participate in the poster session Saturday morning since there will be additional space available at that time.
