

## Pierce Has “Paw-some” Readers!

As part of March is Reading Month, we would like to celebrate Pierce having “Paw-Some” Readers. Our students choose to follow The Pierce Path by demonstrating respect, responsibility, kindness and cooperation. We also have students that are wonderful readers. We would like each child to choose a book that illustrates The Pierce Path somehow and share it with classmates. It may be an entire book or a chapter/part of book. Attached you will find a simple form that each student should fill out prior to sharing the book with the class.

We appreciate your help in supporting The Pierce Path and recognizing the “Paw-Some” Readers that we have here at Pierce!
